

Introduction, Goals and objectives:

On behalf of the land Owners one of their relatives has been chosen to develop their land and to build Multi storied Buildings. To realize their dream the land Owners have given the offering letter on 01-03-2013. Power of Attorney and Developer's agreement also have been confirmed on 22nd march 2013. The name of the project will be Radhika Apartment. Next time all tasks of mutation, conversation, boundary wall, Building Plan sanction, and Earth filling work will be accepted.

In this situation plan and estimate have been completed by S.B.D. Construction to fulfil the desire of lower middle class and middle class society. Architect and Engineer have given their opinion to prepare soil testing report after completing Geo technical investigation. Depending on their report, structural design of these multi storied buildings will be drawn up.
